### Registration Process

The registration fee for tryouts is \$40 and must be paid in advance. Players may register for tryouts at [www.ga5volleyball.com](http://www.ga5volleyball.com). This fee includes a GA5 t-shirt, which must be worn both nights of tryouts. Registration will close 24 hours ahead of tryouts. After tryout registration is closed, the cost will be \$50 as it is considered a "walk-up." If you are interested in walking up, please email [registrarga5@gmail.com](mailto:registrarga5@gmail.com) so we can get the paperwork started ahead of time. No Refunds inside 72 hours. Please see refund policy.

### On Site Check-in

The Registration Desk will open 1 hour prior to each age's tryout.

**Please arrive at least 30 minutes prior to your scheduled tryout time to ensure you have all forms filled out.**

### Tryout Format – Selection Process

We know that tryouts can be a stressful time for athletes and their families. This stress can be significantly alleviated by doing your homework in advance and coming to tryouts with a plan. We encourage those athletes interested in playing for GA5 to also check out other clubs. On the first day of tryouts, a callback list will be posted on-line approximately two hours after its conclusion. Those players will be asked to fill out a form indicating which GA5 team or teams they'll be willing to accept.

At tryouts, GA5 will offer positions and assemble their teams, where communication is vital. If you are fortunate enough to be offered a spot on a GA5 team, it is very helpful for us to know where you stand. The vast majority of our athletes accept such an offer right away, and when they do this we take them at their word – holding their spot for them and releasing alternates to find a position at another club. If you are not in a position to accept an offer when it is extended, your spot will/may be given to another athlete so it is important for each athlete to know their intentions when coming to tryouts.
