Once you have paid, you will receive an email confirmation for each player and program you have successfully registered. If you do not receive these email messages, please check your SPAM folder. Successful registrations can also be viewed from your main profile screen by clicking "Show existing registrations". If you have problems, please contact us at [ga5volleyball@outlook.com](mailto:ga5volleyball@outlook.com) to ensure the registration was successful.

Later, you will receive an email including important information regarding tryouts – including the USAV medical form we will need you to complete and email back or bring with you, and instructions to go to <http://srva.org> and register your player within our USAV region.

Finally, please consider uploading a headshot photograph of your athlete by clicking your athlete's name on your main profile page. A headshot photograph is very helpful to our club for tryout purposes.
